

Vasospasm 2011 Program at a Glance

Wednesday, July 20, 2011

16:00-18:00 Registration
18:00-20:00 Welcome Reception

Thursday, July 21, 2011

7:00-8:00 Breakfast
8:00-8:20 Welcome, Mario Zuccarello & Joseph Clark
Welcome to Cincinnati, John Tew
8:20-9:30 Session 1a: Clinical trials and dilemmas
9:30-10:00 Break
10:00-12:00 Session 1b: Clinical trials and dilemmas
OR
10:00-12:00 Breakout: Neuro Nurses Discussion
[Guest Lecturer, Mary Kay Bader](#)
12:00-13:00 Lunch
13:00-13:30 [Keynote Lecturer, Tomio Sasaki](#)
Proposed mechanism of cerebral vasospasm: our hypothesis and current topics
13:30-14:45 Session 2a: Neurocritical care: monitoring
14:45-15:15 Break
15:15-17:00 Session 2b: Neurocritical care: management
17:00-18:00 Poster Session
18:00-19:00 Award Finalist Presentations
18:00-20:00 Reception

Friday, July 22, 2011

7:00-8:00 Breakfast
Breakout: COSBID Workshop
8:00-10:00 Session 3a: Spreading depolarizations: clinical studies
9:50-10:20 Break
10:20-12:00 Session 3b: Spreading depolarizations and neurovascular coupling: animal studies
12:00-14:00 Lunch, Breakout White Paper Discussion OR Poster Session
14:00-14:30 [Guest Lecturer, David Mendelow](#)
Progress with the STICH II trial
14:30-16:30 Session 4: Inflammation and blood-brain barrier
16:30-17:30 Bid Presentations: Vasospasm 2013
17:00-18:00 COSBID business meeting
18:00-21:00 Dinner

Saturday, July 23, 2011

7:00-8:15 Breakfast
Breakout: Neurosurgery Breakfast Seminar
8:15-8:30 Winner Announcements
8:30-9:30 Session 5a: Early brain injury
9:30-10:00 Break
10:00-12:00 Session 5b: Vascular and microvessel
12:00-13:00 Lunch
13:00-13:30 [Keynote Lecturer, Costantino Iadecola](#)
Neurovascular regulation and ischemic brain injury: mechanisms and translational opportunities
13:30-17:00 Session 6: Genetic and environmental factors
OR
13:30-17:00 Breakout: COSBID
17:00-17:30 Vasospasm 2013 Venue Announcement & Champagne Toast
Closing Remarks
